

SOFI BONDE

Like A Drum

Verse1

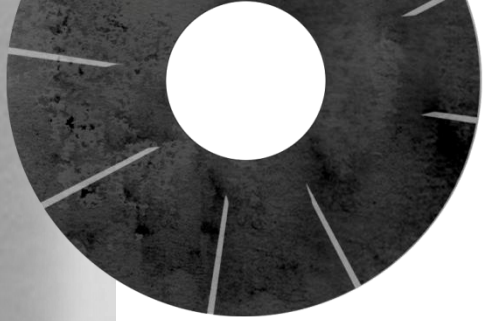

Didn't know what it was
It's not me- no, but it's us
It's like everything stops
And my whole world
Oh it comes across
A little better

Pre

And it's nothing like
I thought it would be

Chorus

Cause nothing's true
Until love hits you
Like a drum
Like a drum
When we meet
My heart starts to beat
Like a drum
Like a drum

Verse2

A little different in age
But in life yeah we're the same

You can show me the way

Change my life

Just in a day

And I feel safe

Pre

And it's nothing like

I thought it could be

Bridge

Autumn leaves on autumn trees

Makes me happy

I'm wide asleep

About to wake up

Dreaming

Wake up dreaming

Chorus

Nothing's true

Until love hits you

Like a drum...
